ABANTE PANGEA FUND, a sub-fund of ABANTE GLOBAL FUNDS

CLASS C USD (hedged) (Accumulation) LU1121308370

Management Company: Abante Asesores Gestion SGIIC, S.A.

Objectives and investment policy

The objective is to provide long-term capital growth.

The sub-fund will invest in all eligible asset classes such as equities, bonds and money market instruments.

Equities:

Up to 100% of the assets may be invested in equity securities of issuers mainly domiciled in the OECD; up to 20% of the net assets may be invested in equity securities of issuers domiciled out of the OECD. The sub-fund may invest up to 20% of the net assets in small caps.

Debt securities and money market instruments:

The sub-fund may invest up to 100% of its net assets in cash and cash equivalents, money market instruments, sight deposits or term deposits maturing within 1 year at credit institutions, treasury bills, and government and/or corporate fixed and/or floating rate bonds of all maturities of EU or OECD countries.

The sub-fund may invest up to 10% of its net assets in fixed income securities of issuers domiciled out of the OECD. Exposure to corporate bonds may not exceed 20% of the net assets.

Currencies:

The reference currency of the sub-fund is the EUR but up to 50% of the net assets may be denominated in other OECD currencies, notably USD, GBP, JPY, CHF, AUD; and up to 30% (20% equity securities + 10% fixed income securities) of the net assets may be denominated in non-OECD

currencies, mainly Brazilian real (BRL), offshore renminbi (CNH) and Russian Ruble (RUB).

The sub-fund may use currency forwards and futures for hedging purposes or to gain exposure to other currencies.

Investment in UCITS and/or other UCIs:

No more than 10% of the Sub-Fund's assets will be invested in aggregate in units of other UCITS or UCIs including but not limited to open-ended exchange traded funds (ETFs).

Financial derivative instruments:

The sub-fund will use financial derivative instruments for hedging and investment purposes. The sub-fund's exposure will not exceed 100%. The sub-fund may also use fixed income derivatives whether traded on regulated or over-the-counter markets for hedging and/or investment purposes.

Recommendation: this sub-fund may not be appropriate for investors who plan to withdraw their money within 3-5 years.

Shareholders may redeem shares on demand, on each Business day.

Non-distribution shares: any income generated by the sub-fund is reinvested.

Please note that transaction costs may have material impact on performance.

Risk and reward profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

Historical data used may not be a reliable indication of the future risk profile of the sub-fund.

This category is not guaranteed to remain unchanged and may shift over time.

The lowest category does not mean a risk-free investment.

This indicator is based on the historical volatility of the reference portfolio over the past 5 years and places the sub-fund in this category.

This fund was categorised in risk class 4 because, in accordance with the investment policy, the value of the investments may fluctuate moderately. Consequently, both the expected return and the potential risk of loss may be moderate.

The risk category has been determined using the maximum risk limit allowed for this sub-fund.

The following risks may be materially relevant and may not be adequately captured by the synthetic risk indicator:

Credit risk: the sub-fund invests in securities which are exposed to the risk that the issuer will be unable to meet its repayment obligations. The credit rating and risks associated with such securities can change over time and therefore affect the performance of the investments.

Equity risk: the value of equities and equity-related securities can be affected by daily stock market movements.

Use of derivatives: derivatives are used for investment purposes and contribute to obtain, increase or reduce exposure to underlying assets.

Currency risk: the risk that an investment's value will be affected by changes in exchange rates.

Charges

The charges you pay are used to pay the costs of running the sub-fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	None
